Office Hours

I am available Monday - Friday from 7:45am to 2:15pm for troubleshooting/help. We will also have a whole group daily Zoom meeting during these hours. I can be reached after hours through Remind or email and I will do my best to respond to you quickly but I may not always get back to you right away.

COURSES IN EDGENUITY

CC ELA 6: Students will analyze texts, think critically, share ideas through discussion and writing, as well as practice grade level vocabulary and grammar.

CC MATHEMATICS 6: Students will use prior knowledge to further concepts including fractions, rational numbers, variables and expressions, equations and inequalities, as well as analyze data sets.

NGSS INTEGRATED SCIENCE 6: Concepts include living things and their environments, weather and climate, changes in our planet, and energy, force, and conservation.

WORLD HISTORY & GEOGRAPHY, ANCIENT CIVILIZATIONS: The study of ancient civilizations including early man, Egypt, Greece, India, China, and Rome.

GRADING

- Edgenuity automatically grades most work and will send updates by email.
- Other assignments will be graded by me and ALL grades will be entered into Q, those will be the grades for report cards.
- In Q, all tests, notes, projects, activities will be graded with equal weight using a traditional grading scale.
- Always contact me if there is a question about a grade!

EXPECTATIONS

- Have a Positive attitude
- Be willing to learn
- Believe in yourself
- Do not give up
- Ask questions
