

Welcome Back

Welcome to the new school year!

One of our goals this year is to ensure that every student attends school regularly.

Showing up for school has a huge impact on a student's academic success starting in kindergarten and continuing through high school.

We realize some absences are unavoidable due to health conditions or other circumstances. However, we also know that when students miss too much school – regardless of the reason – it can cause them to fall behind academically.

Your child is less likely to succeed in school if he or she is chronically absent. Absences can add up quickly. A child is chronically absent if he or she misses just two days every month.

In an effort to collaborate with you and keep you informed of your child's attendance, school sites will be reaching out to you in the event that your child misses school this year based on the guidelines below:

Notification	Elementary	Secondary
Letter 1	7 attendance events	3 full day attendance events
Letter 2	10 attendance events	7 full day attendance events
Letter 3/ Meeting	15 attendance events	10 full day attendance events

Please remember that every absence matters and just a couple of days each month adds up. Families are key to improving attendance.

Let us work together to encourage your child to strive for Fewer Than 4 absences To Learn More this school year.
